If your health care does not cover the expenses from any one of the plans, we require that you pay all deductible, co-pay, and co-insurance amounts at the time of service. We will bill your plan for the remaining balance. If we do not contract with your plan, we require payment in full at the time of service. A copy of your insurance card is required at each visit. It is your responsibility to notify David A. Palmore, M.D., Inc. of any changes in your coverage status and effective dates. This information will be kept in your medical file.

Charges billed to your insurance plan will be noted on your account until payment and/or an Explanation of Benefits (EOB) is received from the insurance company. We will bill your plan directly as a service to you, but not substitute your primary responsibility for payment. Charges that have not been paid by the insurance, are the patient's responsibility. All patient-due balances are expected to be paid upon receipt of an EOB. We may require a guarantee of payment in the form of a credit card which will be used to satisfy future patient responsibility balances. Alternatively, patients may place a deposit on the account toward future balances.

We may provide account balance and payment notification via SMS message (text), email, and/or phone in addition to the normal customary process, and you hereby grant authorization for us to do so. Requests for alternate methods of payment (including payment plans) will be reviewed on an individual basis. Every effort will be made to come to an agreed-upon method of payment and resolution. *Failure to cooperate in a timely agreed manner can lead to being sent to collections and/or a permanent dismissal from the medical practice*.
